

WARRANTY

Republic Machine warrants that the Republic Single Shaft Rotary Grinder will be free from defects in material and workmanship for a period of 12 months from start up. This is based on the equipment being operated and maintained in accordance with the Republic Machine Users Operating Manual and the original specifications for the installation. Republic's obligation under this warranty is limited to repairing or replacing, as Republic may elect, any part or parts which shall be returned during the one year warranty period to Republic's factory in Louisville, KY with transportation charges prepaid and upon examination shall disclose to Republic's satisfaction to have become defective within the one year warranty period. This warranty excludes consequential damages from foreign material i.e. ferrous and nonferrous metals, and any normal wear items such as cutters (knives), cutter holders, cutter bolts, anvils (counter knives), belts, ram guides, and ram wipers.

Additionally, the Falk Gearbox comes with a 3 Year Warranty per manufacturer's policy guidelines.
